

Lutheran School of Theology at Chicago

**Internship Questions Related to Social Concerns**

(to be completed at the end of internship by the student)

1. What experience have you had during internship in referring members or non-members to church-sponsored social service agencies? (Please indicate the approximate number in each category and the kinds of problems/issues involved.)

2. In what social issues were you and/or the congregation involved during internship? (Please indicate the specific issues and what was done in each instance -- study, referral, advocacy, preaching, news releases, etc.)
