

## Ministry in Context Completed Project Report Form

1. In no more than one page, write a brief summary of the project goals and how you accomplished them.
2. In no more than two pages, write what you learned about ministry in this specific context.
3. In no more than two pages, identify your greatest surprises and/or things you would do differently if given the opportunity.
4. In no more than two pages, write what you learned or relearned about yourself in ministry contexts and under supervision.
5. Share a copy of this report with your supervisor and fellow students, discuss it with them, and have them sign off on that meeting.
