Timeline for Applying to the LSTC Internship Program for Word & Service

LSTC Contextual Education Office
(773) 256-0746 Deacon Marji Shannon mshannon@lstc.edu

LSTC accepts Site Applications year-round for hosting a Word & Service student due to the fact that they start their internship hours according to their own schedule. Submitted Site Applications are kept as options to offer students looking for their congregational component to go with their agency work or desiring to be fully immersed in a church context.
