1	2	3	4	5	6
Highly organized; one who values structure				A free spirit; one who values spontaneity	

M. Your attitude regarding ministerial ethics:

1	2	3	4	5	6
Ministers live like all other persons				Ministers must live as a model for others	

Note:

We anticipate a full and rich partnership in the work of preparing students. There is a wonderful diversity in the candidates seeking field work placements; each of whom is eligible for placement by virtue of having been endorsed by their church body.

If you agree to supervise, it is with the understanding that LSTC, as an institution of the Evangelical Lutheran Church in America, has a policy of inclusiveness with reference to the admission and education of their students. It is further understood therefore, that we will make field placements only in situations where this principle of inclusiveness is observed.

Also, the supervisor/mentor/project director agrees to arrange at least one hour per week for supervision. This time should include theological reflection with the student about their growing identity as a Word and Service candidate. This time should be kept free from external interruptions and routine calendar planning.

Signature of Supervisor/Mentor/ Project Director:

Date:

Signature of Parish Representative /Head of Agency :

Date:

Lutheran School of
Theology *at* Chicago

Supervisor/Mentor/Project Director's Autobiographical Sketch

Write an autobiographical sketch about yourself - no more than one page - including some indication of your approach to supervising/mentoring a ministry student and anything about yourself which you believe to be helpful for the student.
